May 21, 2026

ENGR. MARK CLOYD G. SO
Acting Division Manager
National Irrigation Administration (NIA)
ALBAY - CATANDUANES IMO
Tuburan, Ligao, Albay

Dear Sir,

I am writing to formally express my interest in employment opportunities at the NIA Albay-Catanduanes Irrigation Management Office in Ligao City. I am particularly interested in the Survey Aide position, administrative support roles, or any vacant positions that align with my qualifications and background. While I understand there may not be an active opening at this time, I would appreciate the opportunity to be considered for future vacancies or upcoming operations in the province.

I am Mark Edrill B. Viñas, a graduate of Bicol University and a resident of Agos, Polangui. My experience as a Government Internship Program (GIP) intern under the Department of Labor and Employment (DOLE) in the Municipality of Polangui has provided me with a strong foundation in government protocols, professional ethics, and administrative discipline.

Although my academic background is in education, I am eager to apply my skills to the technical and physical demands of the NIA. I am physically fit and fully prepared for the rigorous outdoor conditions required for irrigation surveys and site preparations. The patience, attention to detail, and organizational skills I developed during my training are highly transferable to the precision needed for data collection and the handling of survey instruments.

I am a fast learner, highly adaptable, and committed to supporting NIA's mission of providing sustainable irrigation services to our local farmers in Bicol. I am more than willing to undergo any necessary training to contribute effectively to your field teams.

Attached are my Certificate of Employment and other supporting documents for your review. Thank you for your time and consideration. I look forward to the possibility of discussing how my dedication and work ethic can serve your office.

Sincerely,

MARK EDRILL B. VIÑAS
