EXPERIENCE

LOAN DOCUMENTATION PROCESSOR
Sentinel Credit Information Inc. (BDO Head Office)
Frebruary 2018 - April 2019

Review Loan Applications:
- Verify that all necessary documents have been submitted by the borrower, such as proof of income, employment verification, credit reports, etc.

Ensure Compliance:
- Ensure that all required forms and documents are in compliance with federal, state, and institutional regulations.

Prepare Loan Files:
- Organize and compile the loan documentation into a file that includes the application, credit reports, appraisal reports, and other necessary documentation.

Verify Information:
- Double-check the accuracy of the data in the loan application, including employment details, income, debts, and other financial information.

Generate Loan Documents:
- Prepare and generate loan documents like promissory notes, closing disclosures, and other necessary agreements for the borrower to sign.

File Management:
- Maintain and organize both digital and paper records of all loan documents, ensuring they are easy to retrieve and audit if necessary.
