May 25, 2026

Engineer Mark Cloyd G. So
Acting Division Manager
National Irrigation Administration
Albay-Catanduanes Irrigation Management Office
Tuburan Ligao, City

Dear Sir,

I am writing to express my interest in applying for any available position in your office that is aligned with my educational background, skills, and work experience. I graduated with a Bachelor of Science in Accountancy from Bicol University and have also passed the Civil Service Professional Examination.

I have two years of experience working in the finance section as job order, particularly in provident fund administration, financial record management, and preparation of reports. My experience includes handling accounts payable and receivable, maintaining ledgers, preparing billing statements and deposit reports, processing loan applications, reconciling financial records, and assisting in the preparation of financial statements. Through these responsibilities, I developed strong attention to detail, accuracy in handling financial data, and the ability to work efficiently under minimal supervision.

In addition, I am proficient in Microsoft Excel and other office applications, and I am highly willing to learn and adapt to new tasks and responsibilities. I am eager to contribute my knowledge, dedication, and work ethic to your office and be part of an organization that serves the public with integrity and excellence.

Attached are my application documents for your consideration. I would welcome the opportunity to discuss my qualifications further in an interview.

Thank you very much for your time and consideration.

Respectfully yours,

Diane O. Rayel
