Acting Division Manager
National Irrigation Administration
Albay-Catanduanes Irrigation Management Office
Tuburan, Ligao City, Albay 4504

Dear Sir,

Good day!

My name is Kim Aljon Rabelas. I am interested in applying for the position of Electrical Engineer - Job Order. Upon hearing the news, I was ecstatic to find out that I would be able to apply for the National Irrigation Administration, an institution that upholds integrity and professionalism.

Moreover, I bring the qualifications and relevant experience that closely align with the institution's requirements. If given the opportunity, I would love to be able to demonstrate my skills and work ethic. I am committed to exemplifying excellence in infrastructure maintenance, while ensuring safety and forward-thinking initiatives that align with the quality standards of National Irrigation Administration.

Please feel free to contact me at **09763764829** or thru **rabelaskim9@gmail.com**. I look forward to hearing from your office. Thank you for considering my application and Godbless.

Respectfully Yours,

Engr. Kim Aljon Rabelas
