3	Control / Index of Sub-Allotment	Senior Accounting Processor A	15 minutes per sub -allotment
4	• Certify the availability of allotment • Recommend the availability of allotment • Approve the availability of allotment	Chief Corporate Accountant B/ Division Manager/ Regional Manager	10 minutes per sub -allotment
5	• Receive approved Sub-allotment and forward to IMO • File a copy of Sub-allotment End	Senior Accounting Processor A	

Fig. 2-3: Release of Cash Support for COB/Project Funds

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start • Receive authority to debit (ADA) from the CO • Receive List of Due and Demandable Accounts Payable (LDDAP) (For Project Funds)	Senior Financial Planning Analyst	5 minutes per transaction
2	Validate if already credited to the depositor bank	Senior Financial Planning Analyst	10 minutes per transaction
3	Prepare disbursement voucher and JEV	Senior Financial Planning Analyst	10 minutes
4	Review and certify on the vouchers	Chief Corporate Accountant/ Division Manager	10 minutes
5	Approve the disbursement voucher	Regional Manager	10 minutes per transaction
6	Forward to the cashier for check preparation	Clerk Processor/ Data Encoder	10 minutes per transaction
7	Approve checks	Division Manager, AFD/Regional Manager	10 minutes per transaction
8	Transact the checks to depository bank End	Cashier A	1 hour

Fig. 2-4: Earmarking of Purchase Request (PR) and Request for Bidding for Contracts for Civil Works, Consultancy Services and Other Services

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start Receive Approved and Draft Purchase Request/Request for Bidding for Contracts for Civil Works (CW), Consultancy Services, etc.	Receiving Personnel/Data Encoder	5 minutes per transaction
2	Evaluate the PR / Request for Bidding if within the APP / PPMP or POW and if funds are available	Senior Accounting Processor A	30 minutes per transaction
3	Are funds available? Yes → A No	Senior Accounting Processor A	5 minutes
4	Return to the concerned office and coordinate changes in funding source. A	Receiving Personnel/Data Encoder	10 minutes per transaction

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
5	A ↓ Earmark the amount. Post to control and affix initial.	Senior Accounting Processor B	15 minutes
6	↓ Certify to the Guarantee of Allotment and Budget Availability	Chief Corporate Accountant/AFD Manager	5 minutes per transaction
7	↓ Forward earmarked Purchase Request (PR) / Request for Bidding to Regional Manager for approval ↓ End	Receiving Personnel/Data Encoder	5 minutes per transaction

Fig. 2-5: Preparation of Monthly Statement of Allotment, Obligation and Balances (SAOB), Statement of Cash Allocation, Disbursements and Balances (SCADB) and Status of Funds

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1		Data Encoder/ Accounting Processor/ Senior Financial Planning Analyst	5 minutes
2		Accounting Processor/ Senior Financial Planning Analyst	1 hour
3		Accounting Processor/ Senior Financial Planning Analyst	1 hour per office
4		Senior Financial Planning Analyst	40 minutes per office
5			
6		Senior Financial Planning Analyst	1 hour
7		Senior Financial Planning Analyst	15 minutes per office

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
8	A ↓ Review consolidated SAOB, SCADB & Status of Funds	Financial Planning Specialist/Chief Corporate Accountant B	10 minutes
9	↓ Certify/Affix on the SAOB, SCADB & Status of Funds	AFD Manager	10 minutes
10	↓ Approve SAOB, SCADB & Status of Funds	Regional Manager	10 minutes
11	↓ • Receive and submit to CO • File report for further use and reference ↓ End	Data Encoder/ Senior Accounting Processor A	5 minutes

Fig. 2-6: Processing of Payroll for Permanent & Casual Employees

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start Receive from Administrative Section the Summary of Payroll, Time Book, DTR, and other supporting documents of payroll, Disbursement Vouchers (DV) and Budget Utilization Request & Status (BURS)	Data Encoder	5 minutes
2	Check completeness supporting documents and computation of claim Are documents complete & correct? No → Return to Administrative Section Yes	Senior Accounting Processor	30 - 45 minutes/ Payroll
3	• Obligate, assign control number in BUR/OR • Prepare Journal Entry Voucher (JEV)	Senior Accounting Processor A/B	15 - 30 minutes/ Payroll
4	Review and sign BURS (Box B)	Financial Planning Specialist/Senior Financial Planning Analyst	10 minutes/ Payroll
5	Review and sign BURS, DV and JEV	Chief Corporate Accountant B/ Financial Planning Specialist/ Division Manager	Within 15 minutes
6	Forward to Regional Manager for approval End	Data Encoder	5 minutes

Note: Refer to Fig.5-13 for the process on Payment of Payroll.

Fig. 2-7: Preparation of Remittances

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Gather various remittances vouchers	Data Encoder/ Administrative Officer IV	Within 1 day
2	↓ Preparation of remittance lists and corresponding reports as required by remittance agency	Administrative Officer IV	Within 2 day per remittance
3	↓ Online submission of remittances (EFPS)	Administrative Officer IV	Within 2 days
4	↓ Payment to BIR ↓ End	Administrative Officer IV	Within 1 day

Fig. 2-8: Processing of Disbursement Vouchers for Expenses and Other Claims

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start A Receive document/claims with supporting documents, Disbursement Voucher and Budget Utilization Request & Status (BURS)	Data Encoder	5 minutes
2	• Verify Validity of Claim • Check Completeness of supporting documents and computation of claim Are documents complete & correct? No *Return to concerned personnel* A Yes	Senior Accounting Processor	15 minutes/ transaction
3	• Obligate, assign control number in BUR/OR • Prepare Journal Entry Voucher (JEV)	Senior Accounting Processor A/B	30 minutes/ transaction
4	Check supporting documents & obligation and sign BURS (Box B)	Financial Planning Specialist/Senior Financial Planning Analyst	10 minutes/DV
5	Review and sign BURS, DV and JEV	Chief Corporate Accountant B/ Financial Planning Specialist/ Division Manager	Within 15 minutes
6	Forward to Regional Manager for approval End	Data Encoder	5 minutes

Fig. 2-9: Preparation of Certificate of Availability of Funds

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Check with sub allotment if within limit of the approved budget	Senior Financial Planning Analyst	Within one week
2	↓ Prepare Certificate of Availability of Funds (CAFs)	Senior Accounting Processor B	Within 1 hour
3	↓ • Review Contract • Sign Certificate of Availability of Funds (CAFs)	Financial Planning Specialist/Chief Corporate Accountant B	Within 1 hour
4	↓ • File Copy of CAFs and Contract • Forward to Division Manager, AFD to Sign Witness ↓ End	Senior Accounting Processor A/B/ Data Encoder	10 minutes/letter

Fig. 2-10: Preparation & Processing of Disbursement Voucher for Contract Progress Billing

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start → A → Receive Letter Request of contractor with complete supporting documents, documents endorsed from EOD, Signed Disbursement Voucher (Box A) and Budget Utilization Request & Status (BURS)	Data Encoder	5 minutes
2	Verify/check claims & supporting documents → Are documents correct & complete? — No → Return to EOD → A; Yes	Senior Accounting Processor A	Within 1 hour per contract
3	• Obligate, assign control number in BUR/OR • Prepare Journal Entry Voucher (JEV)	Senior Accounting Processor A	20 minutes/ contract
4	Check supporting documents & obligation and sign BURS (Box B)	Senior Financial Planning Analyst	15 minutes/ contract
5	Review/Certify Disbursement Voucher Box B and JEV	Chief Corporate Accountant B/ Financial Planning Specialist	15 minutes
6	Certify JEV	Division Manager, AFD	10 minutes
7	Forward to RIM Office for approval of Regional Manager → End	Data Encoder	5 minutes

2.3 CASH UNIT FLOW PROCESS

Fig. 2-11: Payment of Obligations by Check/Preparation of Report of Disbursement

	Key Activities	Responsible Office/Position Title/ Designation	Timeline/Duration
1	Start ↓ Received Disbursement Vouchers with complete supporting documents (e.g. DTR, BUR, etc.)	Clerk/Data Encoder/Cashier A	5 minutes per document
2	Review approved vouchers	Cashiering Assistant	10 minutes per document
3	Prepare check and Advice of Checks Issued	Clerk/Data Encoder	5 minutes per check
4	Sign Checks	AFD-DM/Regional Manager	2 minutes per check
5	Record checks in check register	Cashier A	
6	Release check	Cashier A/Clerk/ Data Encoder	
7	• Encode check on Report of Checks Issued (RCI) • Segregate paid vouchers and supporting documents • Submit to Bookkeeping Section	Cashiering Assistant/Clerk/ Data Encoder	Within 5 days
8	Review Report of Check Issued ↓ End	Cashier A	

Fig. 2-12: Cash/Over-the-Counter Payment of Payroll or ATM

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start Receive payroll and DV	Cashiering Assistant	10 minutes
2	Is this over the counter? — Yes → A No → Is this ATM? — No → A Yes		
3	• Prepare debit advice (with soft copy of payroll) • Prepare ADA, Landbank transmittal, registry of Landbank payroll	Cashiering Assistant	1 hour
4	Record of payrolls per debit advice to ATM Record Book	Cashier A	5-30 minutes
5	Prepare Report of Disbursement	Clerk/Data Encoder	1-2 days
6	Review and sign Report of Disbursement	Cashier	
7	Number and segregate payrolls and supporting documents for submission to Bookkeeping Unit B End	Clerk/Data Encoder	2-4 days

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
3	A ↓ Encash checks	Cashier A	Within the day
4	↓ Payment to concerned employees	Cashier A	5 minutes per employee
5	↓ • Record cash payroll in Cash Book • Sort & bundle paid payrolls	Cashier/Cashiering Assistant	Within 2 hours
6	↓ • Prepare Report of Disbursements • Sort payroll documents	Cashiering Assistant	Within 2-4 days
7	↓ Review Report of Disbursement ↓ B	Cashier	

Fig. 2-13: Collection Process

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start Receive payment and issue Official Receipt	Cashier A/ Cashiering Assistant	10 minutes per OR
2	Deposit collection	Cashier A	Within the day
3	• Record in Official Deposit Register • Sort Official Receipts and Deposit Slips	Cashier A	Within 1 day
4	Prepare Report of Collection	Cashier A	Within 30 minutes
5	Submit report to Bookkeeping Unit End	Cashier A	Within 10 minutes

2.4 BOOKKEEPING UNIT FLOW PROCESS

Fig. 2-14: Preparation of Check & Cash Disbursement Journals with Journal Entry Vouchers for all Funds

	Key Activities	Responsible Office/Position Title/ Designation	Timeline/Duration
1	Start ↓ Receive Report of Checks Issued and Report of Disbursements (Check Disbursement & Cash Disbursement) with disbursement vouchers and supporting documents from Cash Units of Regional Office.	Corporate Accounts Analyst/ Senior Accounting Processor A	5 minutes
2	↓ • Verify and analyze Report of Checks Issued and Report of Disbursements • Record entries in the Journal Entry Vouchers (JEV) (if any)	Corporate Accounts Analyst/ Senior Accounting Processor A	3-4 working days
3	↓ Prepare Check Disbursement Journal and Cash Disbursement Journal	Corporate Accounts Analyst/ Senior Accounting Processor A	3-4 working days
4	↓ • Review and affix on JEV • Review Check and Cash Disbursement Journals ↓ End	Chief Corporate Accountant B, Division Manager-AFD	1 working day

Fig. 2-15: Preparation of General Journals with Journal Entry Vouchers for All Funds

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start Receive/Collate ATM payrolls and various adjustments/ transactions (e.g. validate ADA receipts, book-up of completed projects and others)	Senior Accounting Processor A/ Corporate Accounts Analyst	1 working day
2	• Verify supporting documents • Record entries in the JEV • Prepare General Journal	Senior Accounting Processor A/ Corporate Accounts Analyst	15 working days
3	• Review and affix on JEV • Review General Journal End	Chief Corporate Accountant B, Division Manager-AFD	1 working day

Fig. 2-16: Preparation of Cash Receipts Journal with Journal Entry Vouchers for Fund 501 COB

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start • Receive Collection Report with Official Receipts and Deposit Slips from Cash Unit of Regional and Field Offices • Distribute the Report of Collection to the assigned bookkeeper	Data Encoder/ Senior Accounting Processor B	10 minutes
2	• Verify / Analyze and check CR against attached Official Receipt and validated Bank Deposit Slips • Prepare / Record entries in the JEV	Senior Accounting Processor A/ Corporate Accounts Analyst	2 working days
3	Prepare Cash Receipts Journal	Senior Accounting Processor A/ Corporate Accounts Analyst	1 day
4	• Review and affix on JEV • Review Cash Receipts Journal End	Chief Corporate Accountant B, Division Manager-AFD	1 working day

Fig. 2-17: Preparation of Quarterly Collection of ISF

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start • Collate Monthly Collection Report • Consolidate ISF Collection for the quarter	Senior Accounting Processor A/ Corporate Accounts Analyst	1 hour
2	Review and Initial on the consolidated report as to correctness	Chief Corporate Accountant B	2 hours
3	Certify as to correctness of the Quarterly Collection of ISF	Division Manager, AFD	30 minutes
4	• Forward to Regional Manager • Forward to Administrative Section approved Quarterly Collection Report for submission to Central Office End	Data Encoder	5 minutes

Fig. 2-18: Preparation of Monthly Trial Balance and Statement of Cash Flow

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Summarize accounts in the Check Disbursement Journal, Cash Disbursement Journal, Cash Receipt Journal and General Journal	Senior Accounting Processor A/ Corporate Accounts Analyst	10 minutes
2	↓ • Post in the General Ledger • Prepare Trial Balance and Statement of Cash Flow	Senior Accounting Processor A/ Corporate Accounts Analyst	3 working days
3	↓ Review Trial Balance and Statement of Cash Flow	Chief Corporate Accountant B	30 minutes
4	↓ Certify as to Correctness	Division Manager, AFD	30 minutes
5	↓ • Forward to Regional Manager • Submit to COA, forward to Administrative Section for submission to CO ↓ End	Data Encoder	5 minutes

Fig. 2-19: Consolidation of Regional Office and Irrigation Management Office (IMO) Trial Balance and Cash Flow

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Collate Trial Balance and Statement of Cash of IMO	Senior Accounting Processor A/ Corporate Accounts Analyst	10 minutes
2	↓ • Review and encode the Regional Office and IMO Trial Balance & Statement of Cash Flow in the work paper. • Analyze & prepare consolidate Trial Balance & Statement of Cash Flow	Senior Accounting Processor A/ Corporate Accounts Analyst	3 working days
3	↓ Review Trial Balance and Statement of Cash Flow	Chief Corporate Accountant B	30 minutes
4	↓ Certify as to Correctness	Division Manager, AFD	30 minutes
5	↓ • Forward to Regional Manager • Submit to COA, forward to Administrative Section for submission to CO ↓ End	Data Encoder	5 minutes

Fig. 2-20: Preparation of Bank Reconciliation Statement

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start Collate: • Cash in Bank General and Subsidiary Ledgers • Journal Entry Vouchers (JEVs) • Report of Disbursement and Report of Checks Issued • Report of Collection • Bank Statement	Senior Accounting Processor A/B	10 minutes
2	• Identify and analyze transactions affecting cash per books and per bank • Verify reconciling items and gather supporting documents (e.g. fund transfers, debit memos) • Inform and advise the bank for errors • Forward adjustments to Bookkeepers for JEV • Prepare Bank Reconciliation	Senior Accounting Processor A/B	9 days
3	Review Bank Reconciliation Statements	Chief Corporate Accountant B	30 minutes
4	Certify Bank Reconciliation Statements	Division Manager, AFD	30 minutes
5	Submit signed Bank Reconciliation Statements to COA End	Senior Accounting Processor B	10 minutes

13	HRMPSB Deliberation A	Division Manager, AFD, HRMPSB	30 minutes

Fig. 3-2: Appointment of Casual Employees at the Regional Office

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Receive Approved Request for Extension/Creation of Casual Positions per MC # 3 s. 2019 - Extension - Step6; Creation - Step 2	Sr. IRMO/IRMO A	10 minutes
2	↓ Identify candidates for pool for applicants	Sr. IRMO A	4 hours
3	↓ Evaluate and interview candidates	Sr. IRMO A	1 working day
4	↓ Prepare PAS	Sr. IRMO A	30 minutes
5	↓ Approve PAS	Regional Manager/ Division Manager/ ASCA	1 hour
6	↓ Prepare/Review appointment and required documents and prepare appointment	ASCA/Sr. IRMO/ Data Encoder/ IRMO A	1 week
7	↓ Approve Appointment: New - Step 8; Reappointment - Step 9	Regional Manager/ Division Manager	1 working day
8	↓ Orient/Enroll to Biometric	Sr. IRMO/Clerk Processor A	1 working day
9	↓ Submit Appointment to CSC for Attestation	IRMO A/Data Encoder	1 working day
10	↓ Furnish the following copy of appointment: a) Accounting for payment b) Concerned Employee c) Admin for 201 file for preparation of service/leave card ↓ End	IRMO A/Senior Computer Operator/Data Encoder	1 working day

Fig. 3-3: Updating of 201 File

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start Upon acceptance for employment, submit: a. Personal Data Sheet w/ Work Experience Sheet b. Certificate of Eligibility/Updated License/Certificate of Good Standing c. PSA-issued Birth Certificate/PSA-issued Marriage Certificate (if married) d. Transcript of Records/Diploma e. Certificate of Training f. Medical Certificate g. NBI Clearance h. Office Clearance, if transferee	Employees	10 minutes
2	Create 201 File	Data Encoder/ IRMO A	5 minutes
3	Submit updated PDS every end of the year	Employees	15 minutes
4	Request to change in Personal Information, if necessary (e.g. change of name due to marriage)	Concerned employee	N/A
5	File submitted PDS/requests, if any End	Data Encoder/ IRMO A	2 minutes

Fig. 3-4: Job Order and Contract of Service Preparation

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start Need for Service - Creation - Step 2; Extension - Step 5	Division Concerned	N/A
2	Evaluate/interview candidate from pool of applicants	Division Concerned/ASCA V/Sr. IRMO/Data Encoder	2 hours
3	Prepare PAS with justification	Sr. IRMO A	1 hour
4	Approve PAS	RIM/DM	1 hour
5	Prepare Contract of Service/Job Order Contract and required documents	Sr. IRMO A/IRMO A	1 hour
6	Review/initial Contract of Service/Job Order SG 20 & below for RO and SG 9 & above from Irrigation Management Office	ASCA/Sr. IRMO/ Data Encoder/ IRMO A	1 hour
7	Approve Contract of Service/Job Order SG 20 & below for RO and SG 9 & above from IMOs - New - Step 8; Extension - Step 9	Regional Manager	1 hour
8	Orient/Enroll to Biometric	Sr. IRMO/Data Encoder/Clerk Processor A	1 hour
9	Furnish the following copy of appointment: a) Accounting for payment b) Concerned Employee/forward to IMOs c) Admin for 201 file End	Data Encoder/ Senior Computer Operator/IRMO A	5 minutes

Fig. 3-5: Training Flow Process

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start Prepare Annual Regional Training Calendar according to the results of Training Needs Analysis conducted per year	Training Officer	Five (5) days
2	Prepare Course Design/Module	Training Officer/Sr. IRMO A	Five (5) days
3	A Prepare Training/Budget Proposal	Training Officer/Sr. IRMO A	Two (2) days
4	Secure Approval of Training/Budget Proposal for funding	RM/ASCA/Sr. IRMO A/Training Officer/ DM	Five (5) days
5	With Remarks? — Yes → Edit/Revise → A No	ASCA/Training Officer	30 minutes
6	Prepare logistical requirements (Training kits, Attendance Sheet, Program, Certificate of Appearance)	Training Officer	One (1) week
7	Implement instructional management plan	Training Officer/ Resource Person	Depends on the program flow
8	Conduct of Training Evaluation (After the training implementation)	Training Staff	Depends on the program flow
9	Issuance of Certificates of Participation and Completion upon accomplishing the Training Evaluation B	Training Officer/ Training Staff	15 minutes

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
10	B Filing of Training Folder (Approved Training Proposal, Photo Documentation, Attendance Sheet)	Training Officer	One (1) day
11	Encode and summarize the Training Evaluation	Training Officer	One (1) day
12	Conduct of Training Impact Evaluation End	Training Officer	Six (6) months after the conduct of training

Fig. 3-6: Monitoring the submission of Individual Performance Commitment Review Accomplishment (IPCR)

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1		Sr. IRMO/Data Encoder/IRMO A	1-2 working days/ office
2		Sr. IRMO/ Sr. DE / IRMO A	N/A
3		Regional Manager/ ASCA/Sr. IRMO/ DA/Data Encoder/ Clerk Processor A	3 working days
4		Data Encoder/ Clerk Processor A	1 working day

Fig. 3-7: Attendance Monitoring

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Register/Enroll Employee's Fingerprint and ID number to the Biometrics	Data Encoder/ Timekeeper	10 minutes
2	↓ Input of Employee data to Biometrics	Clerk Processor A	5 minutes/ employee
3	↓ Download Raw Data from Biometric Machine and upload to Biometrics software	Clerk Processor A	15 minutes
4	↓ Check all data (time) uploaded	Clerk Processor A	2 hours
5	↓ Receive all submitted Travel Order/Individual Time/ Adjustment Slip and Approved Leave	Clerk Processor A	30 minutes
6	↓ Export/print Daily Time Record (DTR)	Clerk Processor A	2 hours
7	↓ Distribute DTR to concerned employees for signature, verification and correction	Clerk Processor A	30 minutes
8	↓ Record undertime and tardiness to employee's respected Leave Cards	Timekeeper	1 week
9	↓ Forward to ASCA for certification	ASCA	30 minutes
10	↓ Forward to Division Manager concerned for approval	Division Manager	30 minutes
11	↓ Segregate DTR for the following: a) Accounting for payroll attachment b) Admin for file copy c) Concerned employee for file copy ↓ End	Senior Computer Operator/ Timekeeper	2 hours

Fig. 3-8: Leave Processing (under normal conditions, all requirements are complete)

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start → Receive/Stamping of Leave Application	Clerk Processor A	1 minute/leave
2	Retrieve Leave Card	Timekeeper	2 minutes/leave
3	A → Check Available Leave Balance	Timekeeper	2 minutes/leave
4	Allowed? — No → Timekeeper informs the employee → A; Yes	Timekeeper	1 minute
5	B → Process/Review/Certify Leave Application	Timekeeper/Sr. IRMO A	5 minutes/leave
6	Check if the approval is below section chief — Yes → Forward to respective Section Chief and Division Manager → C; No	Timekeeper/ Section Chief/ Division Manager	1 working day
7	Check if the approval is for section chief — Yes → Forward to the Regional Manager for approval → C; No → D	Timekeeper/ Regional Manager	1 working day

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
8		Timekeeper/ Administrator/ Deputy Administrator for Engineering & Operations/ Regional Manager/ Division Manager/ Administrative Services Chief A	Within 1 month
9		Timekeeper/Clerk Processor A	15 minutes
10		Timekeeper/Clerk Processor A	1 hour
11		Timekeeper/Clerk Processor A	1 working day

Fig. 3-9: Retirement under RA 8291

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Receive letter of intent to retire	Clerk Processor A	5 minutes
2	Prepare Acceptance of Retirement for signature of Regional Manager	ASCA	15 minutes/ application
3	Release acceptance letter to the retiree	RM/DM-AFD/ASCA	10 minutes/ application
4	Issue Service Record and Certification of LAWOP for submission to GSIS ↓ End	IRMO A/Liaison Officer	1 working day

Fig. 3-10: Terminal Leave Process Flowchart

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start Receive Application for Terminal Leave	Clerk Processor A	10 minutes
2	Prepare/process documentary requirements for Terminal Leave: a. Leave Application/Leave Record b. Service Record c. Audited Leave Record d. CO/RO/FO Clearance e. Latest Appointment f. Latest Salary Adjustment/Step Increment g. Latest SALN h. Additional requirements for deceased employees i. Certificate of Last Salary Paid j. GSIS Clearance ***additional requirements for Managerial Positions* a. Ombudsman Clearance	IRMO A/Senior Computer Operator/Data Encoder/Admin-in-Charge of IMO	Depends upon the completion of required documents
3	Prepare/process Worksheet on Terminal Leave Claim	Senior Computer Operator/Data Encoder	30 minutes
4	Review/check the completeness of required documents	ASCA/Sr. IRMO/ Data Encoder	30 minutes
5	Certify & recommend approval of Application for Terminal Leave together with required documents	DM/ASCA/Sr. IRMO/Data Encoder	1 hour
6	Approve Application for Terminal Leave for SG 20 and below Forward to Central Office for approval for SG 24 & 26 and Release of fund A	DA for Administrative & Finance/RM/DM	1 working day
7	Forward to CO copies of Approved Leave Application with the required supporting documents for request of fund	Accounting Processor B	1 working day
8	A Prepare BUR/Vouchers and forward to Accounting original copies of required documents to support payment	Data Encoder	10 minutes
9	Retain copies of documents for file End	Data Encoder	10 minutes

Fig. 3-11: Control of Incoming Documents Procedure

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start Receive ordinary mails, registered letters, parcel post, air cargoes Receive and stamp documents from C.O/Field Offices/other agencies	Clerk Processor A/ Administrative Services Aide	2-5 minutes
2	Encode to the Computerized Document Tracking System all received documents and record to corresponding logbook	Clerk Processor A (Document Tracker)	20-30 minutes
3	Sort/classify documents for notation of the RIM and documents that are directly addressed to the Division Managers	Clerk Processor A (Document Tracker)	20-30 minutes
4	Distribute documents to concerned division/office End	Admin Services Aide	2-5 minutes

Fig. 3-12: Control of Outgoing Documents

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Receive and stamp document for release	Clerk Processor A (Doc Tracker)	5 minutes
2	↓ Sort and record to corresponding log book for out-going documents and ready for release to CO/IMOs/etc.	Clerk Processor B/ Administrative Services Aide	20-30 minutes
3	↓ Prepare Summarized list of documents for acknowledgement of CO-Records Division	Division Manager A, AFD, Information Systems	5-15 minutes
4	↓ Send documents thru courier/Liaison Officer/employees on official business to CO Send advance copy of MCs/Memos to IMOs thru email Send advance copy of reports to CO, CSC and other interested parties thru email	Information Systems Researcher/Doc Tracker/Clerk Processor B	5-15 minutes
5	↓ File acknowledgement receipts/transmittal for reference ↓ End	Information Systems Researcher/Doc Tracker/Clerk Processor B	3-5 minutes

Fig. 3-13: Preparation and Processing of Payroll (Permanent & Casual Employee)

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Checking of Daily Time Record attachments and verify the DTR with leave deductions of undertime incurred by employee	Records Officer D	2 minutes per DTR
2	↓ Preparation and signing of General Payroll, BURs and Vouchers/Checking of deductions per employee/verify leave balance of employee	Senior Data Encoder	Per payroll
3	↓ For signature of Payroll in Allowance	ASCA	15 minutes/ voucher
4	↓ Forward to Finance Section for obligation ↓ End	Data Encoder/ Administrative Services Aide	30 minutes/DV

Fig. 3-14: Preparation and Processing of Payroll (Job Order/ COS Employee)

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Preparation of the Summary of Payroll, Time Book, DTR and other supporting documents of payroll from other Division	Data Encoder	5 minutes
2	↓ Review and signing of DTR/ General Payroll	Sr. DE	30 minutes/ DV
3	↓ Forward to Finance Section for processing of payment ↓ End	Data Encoder	5 minutes

Fig. 3-15: Preparation of Remittances

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Gather various remittances vouchers of Monthly and Daily personnel such as GSIS, PHIC, HDMF, and other Associations	Sr. DE/ Data Encoder	3 working days
2	↓ Preparation of remittance lists and corresponding reports as required by remittance agencies	Sr. DE/ Data Encoder	3 working days per remittance
3	↓ Online submission of remittances (EBCS & EPRS)	Sr. DE/ Data Encoder	3 working days
4	↓ Forward the remittances report to the Cashiering Unit for the preparation of cheque	Sr. DE/ Data Encoder	3 working days
5	↓ File the remittances voucher receipt ↓ End	Sr. DE/ Data Encoder	5 minutes

Fig. 3-16: Acceptance of Application/Endorsement for Government Internship Program or Request for On-the-Job Training

	Key Activities	Responsible Office/Position Title/ Designation	Timeline/ Duration
1	Start ↓ Receive Application/Endorsement Letters: a) Student b) School Adviser/College Dean	1 minute	Clerk Processor
2	↓ Evaluate Request for Internship: • Identify place of assignment per division • Note the total number of hours required	30 minutes	Sr. IRMO A
3	↓ Prepare Acceptance Letter • Require a Memorandum of Understanding (MOU)	5 minutes	Sr. IRMO A/IRMO A
4	↓ Approve/Release Letter of Acceptance for Internship • Informing them of the official start of internship	2 minutes	Administrative Services Chief A/ Regional Manager
5	↓ Signing of Memorandum of Understanding (MOU)	5 minutes	Administrative Services Chief A/
6	↓ Enrollment to the Biometrics Machine	3 minutes	Clerk Processor
7	↓ Briefing/Orientation of the Internship Program • Assignment of tasks to be accomplished	15 minutes	Administrative Services Chief A/Sr. IRMO A/IRMO A
8	↓ Issuance of Identification Card (ID) as Intern	5 minutes	Senior Artist Illustrator
9	↓ After completion of Internship Program, Issuance of the Certificate of Completion and Student Evaluation Form ↓ End	30 minutes	Administrative Services Chief A/ Sr. IRMO A/IRMO A/Timekeeper

Fig. 3-17: Processing of Application for Fidelity Bond

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Receive duly-accomplished fidelity bond application form, latest appointment, designation and SALN	1 minute	IRMO A
2	Input in the Online Fidelity Bonding System the details of the accountable officer as declared in his/her fidelity bond application form and check vis-à-vis submitted latest appointment, designation and SALN	30 minutes	IRMO A
3	Print the online generated fidelity bond application form and the List of Bonded Accountable Public Officers for signature	5 minutes	IRMO A/Sr. IRMO A/ASCA/ Accountable Officer/AFD Manager/Regional
4	Email the approved fidelity bond application form, List of Bonded Accountable Public Officers, latest appointment, designation and SALN of the accountable officer to the Bureau of Treasury-Camarines Sur for issuance of ATAP	10 minutes	IRMO A
5	Prepare BUR and Voucher for payment of the Fidelity Bond premium	5 minutes	IRMO A
6	Print 6 copies of ATAP upon receipt	5 minutes	IRMO A
7	Fill-out 6 copies of On-Call Payment Slip	10 minutes	IRMO A
8	Pay the Fidelity Bond premium at LBP	1 hour	Cashier A
9	Email to BTR-Camarines Sur the validated ATAP and On-Call Payment Slip	5 minutes	Cashier A
10	Print 4 copies of Confirmation Letter upon receipt from BTR -Camarines Sur	5 minutes	IRMO A
11	Furnish the accountable officer and COA a copy of the Confirmation Letter ↓ End	5 minutes	IRMO A

Fig. 3-18: Preparation and Submission of Personnel Services Budget

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Update list of employees charged to the Current Operating Budget	5 minutes	IRMO A
2	↓ Prepare Personnel Services Budget for the upcoming quarter 10 days before end of the current quarter	2 days	IRMO A
3	↓ Print the PS Budget	5 minutes	IRMO A
4	↓ Review and Sign the PS Budget	5 minutes	Sr. IRMO A/ Administrative Services Chief A/ AFD Manager/ Regional Manager
5	↓ Submit the signed and excel file of the PS Budget to the Financial Management Department	5 minutes	IRMO A
6	↓ Upon the release of ASA, submit to the Finance Section a Request for Sub-Allotment ↓ End	2 hours	IRMO A

Fig. 3-19: Request for Employee Records

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Receive request for employee record	1 minute	IRMO A
2	Retrieve the record of the employee/separated employee a) Current Employee b) Separated Employee	10 minutes 30 days	IRMO A/Clerk Processor/Utility Worker A
3	Prepare the requested document	30 minutes	IRMO A
4	Review and sign the document prepared	30 minutes	Sr. IRMO A/ Administrative Services Chief A
5	Release the document to the employee/requestor ↓ End	5 minutes	IRMO A

3.3 PROCUREMENT AND PROPERTY UNIT FLOW PROCESS

Fig. 3-20: Preparation of APP– CSE/PPMP

	Key Activities	Responsible Office/Position Title/ Designation	Timeline/Duration
1	Start ↓ Prepare list of items/services to be procured	All sections/units	1 working day
2	↓ Consolidation of Project Procurement Management Plan (PPMP) from all sections/units	Supply Unit	2 weeks
3	↓ Preparation of CSE/PPMP online via Online PPMP-PR Information System (OPPIS)	Procurement Analyst B	2 weeks
4	↓ Forward to Accounting Unit for approval of CSE/PPMP online via Online PPMP-PR Information System (OPPIS)	Accounting Unit	1 working day
5	↓ Forward to BAC (Procurement) for approval of CSE/PPMP online via Online PPMP-PR Information System (OPPIS)	BAC	1 working day
6	↓ For approval ↓ End	Regional Manager	1 working day

Fig. 3-21: Procurement Process (Goods)

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start Prepare list of items/services to be procured	All units	1 working day
2	Process Purchase Request (PR) pursuant to RA 9184/ Approved APP/PPMP via OPPIS	Procurement Analyst B	1 working day
3	Forward to BAC (Procurement) for numbering of PR via Online PPMP-PR Information System (OPPIS)	Procurement Analyst B/ BAC	5 minutes
4	Forward to Budgeting Unit for approval and costing of Purchase Request via OPPIS	Accounting/ Data Encoder	1 working day
5	Is the request more than 1 Million? Yes → A; No		
6	Is the request more than 50,000? Yes → A; No		
7	Prepare Request for ***Price Quotation form*** for canvassing of goods/services	Canvassing Officer	1 working day
8	Abstract of Price Quotation	Procurement Analyst	15 minutes
9	Prepare/Review ***Purchase Order (PO) form*** C	Procurement Analyst	15 minutes

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
10	C Forward to Accounting Unit for obligation	Data Encoder	20 minutes
11	For signature of Finance Section and Regional Manager	Financial Planning Specialist B/ Regional Manager	15 minutes
12	Coordinate with the Supplier to conforme	Canvasser	1 working day
13	Proceed with the Delivery of Goods End	Supplier	Depends on the approved duration of Delivery

1	A Forward to Bids and Awards Committee (BAC) for the Schedule of Bidding End	BAC Secretariat	

Fig. 3-22: Delivery of Goods

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start Inspection and Acceptance of Delivered Goods/Services	All units	1 working day
2	Are the product specs correct, without damage & complete? No → A Yes		
3	Prepare an **Inspection and Acceptance Report** for items costing more than P50,000 or an **Inventory Custodian Slip** for items costing less than P50,000	Procurement Analyst B	15 minutes
4	Preparation of Disbursement Voucher End	Procurement Analyst B	20 minutes

1	A Return the item to the supplier for replacement/ Inform the supplier of incomplete delivery of items End	Procurement Analyst B	

Fig. 3-23: Procurement Process (Services)

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start Submit approved Proposal of Activity for training/event or Job Order	Training Officer/ All units	5 minutes
2	Process Purchase Request (PR) pursuant to RA 9184/ Approved APP/PPMP via OPPIS	Procurement Analyst B	1 working day
3	Forward to BAC (Procurement) for numbering of PR via Online PPMP-PR Information System (OPPIS)	Procurement Analyst B/ BAC	5 minutes
4	Forward to Budgeting Unit for approval and costing of Purchase Request via OPPIS	Accounting/ Data Encoder	1 working day
5	Is the request more than 50,000? Yes → A; No		
6	Prepare Request for ***Price Quotation form*** for canvassing of goods/services	Canvassing Officer	1 working day
7	Abstract of Price Quotation	Procurement Analyst	15 minutes
8	Prepare/Review ***Purchase Order (PO) form***	Procurement Analyst	15 minutes
9	Inspection and Acceptance of Services	Property	1 working day
10	Preparation of Disbursement Voucher and BUR End	Procurement Analyst	20 minutes

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
10	C Forward to Accounting Unit for obligation	Data Encoder	20 minutes
11	For signature of Finance Section and Regional Manager	Financial Planning Specialist B/ Regional Manager	15 minutes
12	Coordinate with the Supplier to conforme	Canvasser	1 working day
13	Proceed with the Delivery of Goods End	Supplier	Depends on the approved duration of Delivery

1	A Forward to Bids and Awards Committee (BAC) for the Schedule of Bidding End	BAC Secretariat	

Fig. 3-24: Inventory of Property, Plant and Equipment

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Physical Inventory of Property, Plant and Equipment (PPE)	AFD Manager, Sr. Supply Officer, Regional Equipment Engineer, COA	November to December of year
2	↓ Update the Property Cards of all accounted PPE	Supply Unit	Within 5 minutes
3	↓ Encode Newly Acquired/Purchased PPE/Update the Annual Inventory based on the Property Cards of accounted PPE	Procurement Analyst B	Within 5 minutes
4	↓ Check and affix signature in the summary report of the Annual Inventory	Senior Supply Officer	Within 4 hours
5	↓ Review and approve the Summary Report of the Annual Inventory	Regional Irrigation Manager	Within 1 working day
6	↓ Submit the approved Certification of Annual Inventory Report to COA Auditors for attestation	Document Tracker	Within 5 minutes
7	↓ File copy of the Inventory Report ↓ End	Supply Unit	Within 3 minutes

3.4 GENERAL SERVICES UNIT FLOW PROCESS

Fig. 3-25: Protocol of Security Guard (Shifting Schedule)

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Report for duty according to approved schedule	Industrial Security Guard	1-2 minutes
2	↓ Receive list of turn-over properties and relieve and assume duties & responsibilities from the previous guard	Industrial Security Guard	1-3 minutes
3	↓ Record all the vehicle/person arriving and departing from the compound including employees with or without approved personnel locator slip. If there is any untoward incident, report to Admin Section	Industrial Security Guard	1-3 minutes
4	↓ Turn-over the list of properties inside the compound and duties & responsibilities to the assuming guard ↓ End	Industrial Security Guard	1-5 minutes

Fig. 3-26: Entry of Visitor

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Require the visitor to write in the Visitor's Log Book indicating the person to be visited and the purpose of visit	Industrial Security Guard	2-5 minutes
2	↓ Issue visitor's slip to be filled up, to be signed by the Guard and concerned	Industrial Security Guard	2-5 minutes
3	↓ Get 1 valid ID of the visitor and issue the visitor's ID and give feedback form	Industrial Security Guard	2-5 minutes
4	↓ Escort the visitor to the office/concerned employee to be visited if needed	Industrial Security Guard	5-10 minutes
5	↓ Upon exit, visitor returns the duly signed visitor's slip and ID and accomplished feedback form ↓ End	Visitor/Industrial Security Guard	2-5 minutes

Fig. 3-27: Entry of Visitor's Vehicle

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Upon entry of Service Vehicle, interview the driver/ passenger of the purpose of the visit	Visitor/Industrial Security Guard	2-3 minutes
2	↓ Get the Driver's & Visitor's IDs and issue Visitors ID	Visitor/Industrial Security Guard	1-2 minutes
3	↓ Issue Visitor's slip to be filled up and signed by the Security Guard and concerned	Industrial Security Guard	2-3 minutes
4	↓ Log in the Plate number and name of the driver in the Service Vehicle Monitoring Sheet	Industrial Security Guard	2-3 minutes
5	↓ Lead the Visitor's Service Vehicle to the designated parking area	Industrial Security Guard	1-2 minutes
6	↓ Upon exit, return the duly signed Visitor's Slip & ID and Log out on the Service Vehicle Monitoring Sheet ↓ End	Visitor/Industrial Security Guard	1-2 minutes

Fig. 3-28: Exit of NIA Service Vehicles

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1		Driver/Industrial Security Guard	1-2 minutes
2		Industrial Security Guard	1-2 minutes
3		Industrial Security Guard	1-2 minutes
4		Driver	1-2 minutes

Fig. 3-29: Entry of NIA Service Vehicle

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Upon entry, record the Service Vehicle to the Monitoring Sheet	Industrial Security Guard	1-2 minutes
2	At the end of each day, Daily Monitoring Report is submitted to identify, monitor and officially record the number of service vehicles arriving and departing the compound for future reference and/or appropriate action ↓ End	Industrial Security Guard	20-30 minutes

Fig. 3-30: Building Repair/Maintenance Process Flow Chart

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1		Utility Worker	10-15 minutes
2	Receive verbal/written report from offices that needs repair/ maintenance	Carpenter/General Foreman	30 minutes
3	Report to the immediate supervisor for information and other instruction	Carpenter/General Foreman/ Administrative Services Chief A	30 minutes
4	Validate/Inspect the division/office for the reported incident and determine the materials needed to be used for repairing/maintenance	Administrative Services Chief A	5-10 minutes
5	Prepare Purchase Request for the needed materials	Senior Supply Office	5-10 minutes
6	Proceed to repair/maintenance activities End	Carpenter/General Foreman	Within the day

Fig. 3-31: Janitorial Services Process Flow Chart

	Key Activities	Responsible Office/Position Title/Designation	Timeline/ Duration
1	Start ↓ Prompt arrival in the morning	Utility Worker A	
2	Prepare/check cleaning materials and proceed to cleaning in the assigned areas	Utility Worker A	2 hours
3	Monitor area/offices for other cleaning requirements	Utility Worker A	15-30 minutes
4	Verify cleanliness of offices/comfort rooms	Administrative Services Chief A/ Sr. IRMO	2 times a day
5	Check offices for electrical appliances/condition of office before leaving in the afternoon ↓ End	Utility Worker A	5-10 minutes
