--

Audit Team/ Lead Auditor Conclusion/ Recommendation The Albay-Catanduanes IMO, NIA REGION V was found adequately implementing the established planned arrangement for the two core processes subjected to the second surveillance audit, i.e. Operation Section and Engineering Section. The established objectives and targets are achieved generally for the sample performance monitoring period of July to December 2025. There was no nonconformity reported for this audit, however, consider the opportunity for improvement reported related to monitoring equipment verification method. ☐ Stage 2 Audit can proceed ☐ Recertification Recommended ☐ Certification Continuation ☐ Certification Not Recommended ☐ Certification/Continued Certification Recommended Subject to Receipt of Adequate Action Plans ☐ Certification/Continued Certification Recommended Subject to Successful Completion of a Follow-up Audit
